Real Estate Newsletter

October 2007

Hi! And Welcome to Coast Property Country!

THANK YOU FOR VISITING OUR WEB SITE. We hope you enjoy the tour and find our website helpful and informative. We are excited about our new opportunity to serve your real estate needs on the Central Oregon Coast Through our web site.

This newsletter will provide updates on the market, what's happening on the Central Oregon Coast and some insights in to our ever changing market and coastal trends.

It has been an exciting and very active market this year. It appears to be continuing into these fall months. Investors seem to dominate the market but here are still many home buyers. Those looking forward to retirement, first time home buyers and those buyers moving up the ladder of home ownership. Our agents are experienced in the market and of the buying/selling process. Their goal is to help make your transaction and enjoyable and smooth process.

We have several agents who consistently close over a million dollars of real estate sales a month. The old adage... "We sell our listing" so "List with Us" isn't just a slogan it's action in process.

Thank you again for visiting our web site. We at Coast Property & Investment Realty, Inc. look forward to serving your every real estate need and dream.

Please fill out the form below if you wish to receive our newsletter via email. Please add comments as to when you are looking to purchase and how many bedrooms and baths etc. Anything that will help us help you. You may also leave feedback about the site. Thank you.
